

The goal of all decision-making is to discern together the will of God for his covenanted people. To this end we enjoy the blessing of pastoral office in the Church, a yearly general convocation of the membership, and a Covenant Service Board. We seek consensus in major matters and remain aware that the Lord may choose anyone through whom to speak. Within the Covenant Community and at its service is the Covenant Service Board, the central advisory body to the Pastor.

Covenant Service Board

Hospitality Board Members

Ray Chin

**Chris Walters-
Sherbert**
