# Grade 6 through 8
# The Covenant Community of Jesus the Good Shepherd

**The Covenant in the Lord Jesus of _____ Grade_____**
**(Please print name here)**

The Covenant of the New Testament is a friendship or "partnership" between God and His People made by Jesus on the Cross. You are called personally to enter into this friendship with God.

**The Covenant Way of Life:** How do we live out this friendship of covenant? The first step is to reject sin, which sometimes means that we must choose between God and peer pressure. A person must sometimes choose being a good Christian over going along with the crowd. The Covenant Community of Jesus the Good Shepherd emphasizes three virtues – Hospitality, Spirituality and Stewardship.
